SPECIAL MAKE UPS

We Offer Completely Customised Kits, Shirts And Pants. From Football To Netball You Can Have Completely Unique Kits To Suit Your Design Needs. This Can Include Custom Colours, Custom Designs, Logo's & Lettering To Name A Few.

There Are Various Print Techniques We Offer Including Vinyl Heat Press, Sublimation, Screen Printing & Embroidery.

Vinyl Heat Press

This Method Involves A Machine Cutting A Vinyl Sheet With The Design You Need And Then Transferring It To The Garment Via A Heat Press. We Can Do Single Or Multi-coloured Designs.

Sublimation

This Is A Process Where Various Colours Of Ink Are Embedded Into The Actual Fabric, Dyeing The Strands. This Method Offers More Customisation Vinyl Heat Press. You Can Sublimate The Entire Garment Or Just A Section Of It.

Screen Printing

Screen Printing Involves The Making Of "Templates" On Which Ink Is Then Painted Over. For Each Colour A New Template Must Be Produced.

Embroidery

Embroidery Involves Stitching A Design, With Fabric, Onto A Garment Of Clothing.

Due To The Nature Of Custom Designed Kits There Are Various Lead Times For Different Methods.
