2018 NETBALL RANGE

“TO SUPPORT THE NETBALL FAMILY BY PROVIDING PRODUCTS THAT ENSURE THEY FEEL CONFIDENT, LOOK GOOD AND PERFORM AT EVERY LEVEL TO ACHIEVE THEIR GOALS”

Gilbert launched their first netball range back in the 1990's and has become one of the most established netball brands worldwide. We are a world renowned netball brand committed to distinction and excellence globally, whilst continuously striving to improve alongside our partners and the netball elite. We assist with the development of this much loved game by strengthening relationships in netball emerging countries, our products are sold in every netball playing region and country around the world.

INF (International Netball Federation) have been in a thriving partnership with Gilbert Netball since 2004 and we are happy to announce a continuation of the partnership for another 4 years. This successful partnership ensures all member countries and associates continue to gain the benefits from this advancing alliance. Gilbert are proud suppliers and manufacturers to the INF and the top ranked Netball Federations/Associations around the world, in addition we partner with many of the leading female global initiatives such as One Netball, UNICEF and UK Sport.

The GILBERT range now caters for much more than just balls. Our range of equipment is endorsed by international players and netball teams worldwide, making GILBERT one of the few brands that can truly cater for all the sports requirements. We are proud to be official partners of the International Netball Federation and official supplier to just about every International and Elite tournaments around the world.

## Ball Technology

Gilbert is the leading provider of equipment for netball and has adapted its unrivalled ball engineering experience from rugby to netball, thus producing the best-performing patented grip patterns available. With the advent of new materials, under Grays stewardship, Gilbert has perfected the use of new synthetic technologies as seen with the INF Match Ball (Synergie X5 Ball). The continued evolution of Gilbert's technology has ensured that it has maintained its position as market leader retaining the high standards set by James Gilbert over 180 years ago.

Synergie V2 Grip	Dual height star-shaped pimples and G-XV rubber compound provides maximum control and accuracy.
Gilbert Grip	High performance grip configuration.
Duragrip Pimple Configuration	Durable, long-lasting pimple pattern, ideal in all weather conditions.
Hydratec	Technical fabrics & external waterproof laminations are combined to enhance the life and performance of balls.

RE: SASN'S OFFICIAL ENDORSEMENT OF GILBERT SCHOOLS NETBALL RANGE

We hereby proudly announce our endorsement of the Gilbert Netball Range as the Official Ball of South African Schools Netball. This will also be the start of our #ItsMyGame Campaign, which will emphasise that Netball is a sport for all levels of players in South Africa.

Gilbert recently extended their agreement with the INF as the official netball of the Netball World Cup. This gave us the confidence required to continue our partnership and seek areas to activate and grow together. We hereby introduce to you the Official South African Schools Netball Range:

**SPECTRA**

Official Match Ball of SA Schools  
Netball

High-School Match Ball

**PULSE**

Official Match Ball of Schools  
Netball

Entry Level High-School and
